

Elect David Kozinski
for
Village Council

Dear Villagers,

Hello and thank you for taking the time to get to know a little bit about me. For those of you who don't me my name is David Kozinski and I am seeking a seat on our Village Council in this November's election.

I have lived in the Village buying my home in 2003 after living in Ohio City for 13 years. I have been on the board of my HOA for several years as Vice President and help see to the duties in keeping and maintaining the association. I am also enjoying my 8th year volunteering on the Recreation Commission for the Village with this year being my 4th year as Chairman. I have had a wonderful time working with my fellow members and director along with Village hall and service department putting on several of our events such as the Fourth of July fireworks, the Memorial Day parade, Christmas with Santa party...etc.

With that said, this year is a time for renewal of the Recreation Levy in Nov. I feel it is very important that we as a Village band together passing this so we can keep our programming and Center open. Please remember the center is a safe haven during storms such as Hurricane Sandy, as well as offering activities such as Play groups for our young families with children, basketball, Christmas, Halloween, and Easter party's. With the thoughts and opinions I have heard through the years from many of you I feel we all can move forward with our programming and add even more. Our Master Plan has many options for us all and together we can benefit from utilizing our Center by bringing the building up to code, expanding the kitchen and workout facilities and finding what we need to do for everyone's best interest.

Being on Council I would look forward to working closer with the Police and Service department's ensuring they have the resources and means available to continue to do a fantastic job keeping us safe, secure, and beautiful throughout the coming years. Thank you for that.

Thank you for your consideration in voting for me to be your representative on Village Council In November.

David Kozinski
