Cleveland Restoration Society is a non-profit organization dedicated to the maintenance and improvement of the housing stock of Cuyahoga County.

The Cleveland Restoration Society sponsors the Heritage Home Program which is aimed at the repair, maintenance and improvement of houses over 50 years old throughout Cuyahoga County. The program involves free technical advice to homeowners about any issue involving their home. This can be questions about actual repairs and materials or about contractors to do maintenance work. Homeowners appreciate our unbiased and impartial advice. We do not sell any product or services so our advice is always well received by the homeowner.

There are 409 houses in Bratenahl that are more than 50 years old. The cost to Bratenahl of offering these homeowners the Program in 2013 is a relatively modest $600 per year – less than $1.47 per house. There is also a brochure that will be sent to residents, whose homes are 50 years or older, during the first quarter of each year of membership.

The Program also includes a low interest loan program administered by KeyBank and supported by the Treasurer of Cuyahoga County. The KeyBank loans are 2.0% fixed rate mortgage loans for up to 10 years. KeyBank makes all the credit decisions and it utilizes its normal lending procedures when it considers loans under the Program.

First Federal is also a participating lending bank. It is offering a 1.4% fixed rate loan to owners of owner-occupied residences for loans up to 10 years. It will also offer a 2% fixed rate on loans up to 20 years. For non-owner occupied residences First Federal offers a 2.4% fixed rate on loans up to 10 years and a 3.0% fixed rate on loans from 10 – 20 years.
